

Crownhill Business Centre (Zelltec) - Proposal and Pricing Review - Rev 2 (supplier based)

Rev 2 rebuilds every rate from Fenster's past supplier costings, as instructed: BSW aluminium rates (with a 20% tilt & turn uplift on their casement pricing), Vetroseal SKN 176 Coolite glass at the same spec as all previous pricing, and a **live Strongdor quote (SQ216661, 14/07/2026)** obtained for this exact project for the steel doors. All of Adam's confirmations are applied: TYPE B/C/G quantity 1, TYPE A centres fixed, no fire rating, TYPE G mechanical digi-lock. Supersedes the Rev 1 engine-fallback budget of GBP 97,778.03 ex VAT.

Supplier cost / allowances ex VAT	Code markup	Labour allowance	Sell total ex VAT	VAT @20%	Total inc VAT
GBP 49,360.86	GBP 19,000.00	GBP 5,410.00	GBP 73,770.86	GBP 14,754.17	GBP 88,525.03

Aggregated pricing schedule

Section	Ref	Description	Qty	Supplier cost	Code	Markup	Labour	Sell ex VAT	Basis
Aluminium T&T windows	TYPE A	3000 x 1340: two outer T&T sashes + fixed centre, trickle vents, SKN 176 Coolite	18	GBP 34,852.68	MAW	GBP 9,000.00	GBP 2,880.00	GBP 46,732.68	Frame GBP 360/m² + glass GBP 103/m² + vents = GBP 1,936.26/unit
Aluminium T&T windows	TYPE B	1000 x 1340, single T&T sash	1	GBP 645.42	SAW	GBP 400.00	GBP 160.00	GBP 1,205.42	Same rates; qty 1 (WindowCAD rule)
Aluminium T&T windows	TYPE C	1190 x 1190, single T&T sash	1	GBP 680.66	SAW	GBP 400.00	GBP 160.00	GBP 1,240.66	Same rates
Aluminium T&T windows	TYPE D	900 x 880, single T&T sash	4	GBP 1,566.80	SAW	GBP 1,600.00	GBP 640.00	GBP 3,806.80	GBP 391.70/unit; check BSW small-unit minimums

Allowances	DELIVERY-MISC	BSW frames delivery + Vetroseal energy surcharge (~6% of glass value)	1	GBP 850.00	-	-	-	GBP 850.00	BSW ex-works; Vetroseal surcharge pattern

Supplier rate register (evidence trail)

Rate	Value	Source	Confidence
Aluminium casement frame, unglazed, anthracite	GBP 300/m²	BSW QT239743 - Zelltec Unit F Acorn (02/12/2025)	Firm historical quote
Tilt & turn uplift	+20% → GBP 360/m²	Estimator judgement (past quotes are casements)	Judgement - confirm with BSW
Smart Wall commercial doorset framing	GBP 615/m²	BSW door GBP 534/m² (QT239743) + 15% commercial uplift	Judgement - confirm with fabricator
SKN 176 Coolite toughened 4T-20-4T argon	GBP 103/m²	Vetroseal 059396 - Zelltec Cumberland Avenue	Firm historical quote, exact spec
28mm laminated SKN (entrance doors)	GBP 105/m²	Derived from Vetroseal 059828 lami rate + SKN uplift	Derived - confirm with Vetroseal
Steel doorsets TYPE F / TYPE G	GBP 817.64 / GBP 927.08	Strongdor SQ216661 Rev1 (14/07/2026) - this project	Live quote, valid to 13/08/2026
Cross-check: BSW glazed casement incl SKN 176	~GBP 615-700/m²	BSW QT245448 - NHSPS Heaton Road (17/03/2026)	Sanity check - unglazed+Vetroseal route is cheaper

Clarifications and assumptions

- All of Adam's answers applied: TYPE B/C/G quantity 1 (no-quantity-on-WindowCAD rule); TYPE A centres fixed with outer sashes opening; no fire rating on TYPE F/G; TYPE G has a mechanical digi-lock only (no access control); Coolite = SKN 176 as on all previous pricing.
- Steel doors are supplier-backed (Strongdor quoted this project on 14/07/2026); windows and entrance doorsets are derived from firm historical BSW/Vetroseal rates with documented uplifts, not yet job-specific quotes.
- Excluded: access control, EPDMs, mastic, prelims, scaffold/MEWPs, builders work, removal/disposal of existing frames, automatic operation, making good.
- Technical survey required before manufacture; concept dimensions will vary slightly.

Actions before contract

- Send the T&T window schedule and Smart Wall entrance doorsets to BSW (and/or Aplus) for a firm quote - the +20% T&T and +15% commercial uplifts are the main pricing risk.

- Send glass schedule to Vetroseal for firm SKN 176 toughened and 28mm laminated SKN pricing.
- Confirm the Strongdor TYPE G price includes the digi-lock; re-order or re-confirm before validity lapses on 13/08/2026.
- Check BSW small-unit minimum charges for TYPE D (900 x 880).
