Executive Summary

Fenster Glazing are pleased to submit our proposal for the supply and installation of replacement aluminium windows and doors at Lyttleton Road.

Our proposal comprises 13 Smart Alitherm 400 HD heavy-duty aluminium windows with laminated/toughened safety glazing and trickle ventilation, and 4 SMA Smart Wall Pocket anti-fingertrap doorsets including panic hardware, closers and an electric strike to the main double door. The curved toplight to the main entrance door is included (Sheerline toplight, 72mm depth, trimmed where coupled to the Smart Wall door head).

Pricing is supplier-backed by BSW quotation 0000000445. A uPVC window alternative is available on request offering a saving of approximately GBP 11,500.

Our price for the works described: **GBP 41,138.41** excluding VAT.
For a full breakdown of costs please refer to our relevant pricing document.

Project Approach

- 1. Technical Review & Survey**
Following appointment, Fenster Glazing will review all project documentation and undertake a detailed site survey to confirm dimensions, interfaces and access requirements prior to manufacture.
- 2. Procurement & Manufacture**
Materials will be procured through our established supply chain following survey completion and approval of all fabrication drawings and sign-off documentation.
- 3. Project Management**
A dedicated Project Manager and Installation Manager will be assigned to oversee the works from award through to completion, coordinating closely with your site team.
- 4. Installation**
Installation works will be undertaken by experienced glazing operatives in accordance with project-specific RAMS, programme and site rules.
- 5. Quality Assurance & Handover**
Quality inspections are undertaken throughout survey, manufacture and installation in accordance with our QA procedures, concluding with sign-off documentation, warranties and O&M information at handover.

Inclusions

- General Arrangement and Sectional Drawings - initial, revised and as-built drawings included
- Risk Assessments and Method Statements - issued 2 weeks prior to commencement
- Supply and installation by experienced glazing operatives
- Laminated/toughened safety glazing throughout
- Panic hardware, closers and electric strike as scheduled
- 10-year warranty on glass and frame products
- Perimeter sealing internally and externally

Exclusions

- Scaffolding and access equipment (by others)
- Electrical connection to the electric strike (by others)
- Structural alterations, lintels and builders work
- External mastic and EPDM unless taken as priced options
- Removal/disposal beyond replaced units
- Access control devices beyond the scheduled electric strike

Previous Projects

Recent comparable work includes Headrow Court, Leeds (replacement aluminium windows, doors and curtain wall, GBP630,000, occupied phased installation) and Berryfields Farm Hotel for Harrabin. Further completed projects can be found on our website: fensterglazing.com/commercial

Terms and Conditions

1. Consumer Notice
2. Where the client is acting as a consumer, nothing in these Terms and Conditions shall affect the client's statutory rights under the Consumer Rights Act 2015 or related consumer protection legislation.
3. Quotation Validity All quotations provided by Fenster Glazing & Locks Ltd are valid for 30 days from the date of issue, unless agreed otherwise. All quotations are subject to final site survey and measurement verification.
4. Deposit and Payment Terms Fenster Glazing & Locks Ltd requires receipt of a Purchase Order or a deposit of 50% of the total quotation value prior to commencement of works, in order to secure scheduling and procurement of materials. The remaining 50% balance is due upon completion of installation and client sign-off.
5. Late Payment
6. All invoices are payable in accordance with the terms above. Any sums not paid within 30 calendar days of the invoice date will be considered overdue and will attract interest at the statutory rate of 4% per annum above the Bank of England base rate, applicable at the time.
7. Guarantee and Warranty Fenster Glazing & Locks Ltd provides a 10-year warranty covering all glass and frame products supplied and installed by the company. This warranty covers defects in materials (as supplied) and workmanship (installation). Furthermore, this warranty is subject to the terms and conditions of any applicable manufacturer warranties. It does not cover damage resulting from misuse, accidental or intentional damage, vandalism, inadequate or incorrect maintenance, or external factors, including severe weather conditions.
8. Order Confirmation & Site Survey Upon receipt of a valid Purchase Order, the quotation shall be converted into an order confirmation. A site survey shall then be undertaken to verify final measurements and site conditions. Where required, the order confirmation shall be updated and reissued to reflect verified measurements or agreed amendments.
9. A sign-off sheet will be issued for client approval prior to manufacture or procurement of materials. Any changes to specifications, measurements, or costs identified as a result of the site survey or client-requested amendments shall be confirmed in writing and agreed prior to proceeding.
10. Manufacture, Delivery, and Installation Manufacture and procurement of materials shall commence only following receipt of the signed sign-off sheet. Once manufacture has commenced, changes or cancellations may not be possible and, where accommodated, may be subject to additional costs and revised lead times.
11. Upon completion of manufacture, goods shall be delivered either to Fenster Glazing & Locks Ltd's warehouse or directly to site, as agreed. Installation shall be carried out by Fenster Glazing & Locks Ltd in accordance with the agreed order confirmation and programme. Installation dates are indicative and subject to site readiness, access, and the client fulfilling its obligations.
12. Supplier Delays and Liability Fenster Glazing & Locks Ltd shall not be liable for delays, additional costs, losses, or consequential damages arising from delays, defects, or errors caused by third-party suppliers or manufacturers.
13. Fenster Glazing & Locks Ltd will use reasonable endeavours to mitigate the impact of such delays and shall keep the client informed of any material changes to programme or availability. Where reasonably possible, alternative solutions may be proposed for the client's consideration.
14. Site Access and Conditions The client shall be responsible for ensuring that safe, clear, and uninterrupted access to the installation site is available during agreed working hours and that site conditions are suitable for the works to proceed.
15. Fenster Glazing & Locks Ltd reserves the right to suspend works where suitable access or site conditions are not provided. Any additional costs incurred as a result of restricted access, inadequate site conditions, or delays beyond Fenster Glazing & Locks Ltd's control may be charged to the client.
16. Health and Safety Fenster Glazing & Locks Ltd shall carry out all works in accordance with applicable UK health and safety legislation. The client shall be responsible for ensuring that the site and working environment comply with all relevant health and safety requirements, including the Construction (Design and Management) Regulations 2015.
17. Fenster Glazing & Locks Ltd reserves the right to suspend works without penalty where site conditions are deemed unsafe or non-compliant with applicable health and safety requirements.
18. Cancellation and Postponement Should the client cancel or postpone the contract following procurement of materials or commencement of works, Fenster Glazing & Locks Ltd reserves the right to retain the deposit and recover any additional costs incurred up to the date of cancellation or postponement. All goods supplied by Fenster Glazing & Locks Ltd are bespoke or made to order, and retention of the deposit reflects costs incurred in procurement, manufacture, and administration.
19. Force Majeure Fenster Glazing & Locks Ltd shall not be liable for any failure or delay in the performance of its obligations under this agreement where such failure or delay arises from events or circumstances beyond its reasonable control, including but not limited to natural disasters, extreme weather conditions, industrial action, government restrictions, pandemics, or significant supply chain disruption.
20. Limitation of Liability
21. To the extent permitted by law, Fenster Glazing & Locks Ltd's total liability arising out of or in connection with the contract shall be limited to the total contract value. Fenster Glazing & Locks Ltd shall not be liable for any indirect or consequential loss, loss of profit, or loss of business.
22. Nothing in these Terms and Conditions shall limit or exclude liability for death or personal injury caused by negligence, fraud, or any matter which cannot lawfully be excluded.
23. Retention of Title All materials supplied by Fenster Glazing & Locks Ltd shall remain the property of Fenster Glazing & Locks Ltd until payment has been received in full.
24. Intellectual Property All design work, drawings, plans, and bespoke glazing system solutions provided by Fenster Glazing & Locks Ltd shall remain the intellectual property of Fenster Glazing & Locks Ltd unless otherwise agreed in writing. The client shall not reproduce or permit use of such materials by third parties without prior written consent.
25. Design Responsibility
26. Fenster Glazing & Locks Ltd is not responsible for overall design intent, architectural suitability, or regulatory strategy and relies on information, drawings, and specifications provided by the client or their professional team. Responsibility is limited to measurement verification, supply, and installation of the agreed glazing systems.
27. Dispute Resolution Fenster Glazing & Locks Ltd aims to resolve any disputes amicably and professionally. Where a dispute cannot be resolved through informal discussion, the parties shall first seek to resolve the matter through mediation by an independent mediator agreed between them, prior to commencing any legal proceedings. Nothing in this clause shall prevent either party from seeking urgent injunctive or interim relief.
28. Governing Law and Jurisdiction These Terms and Conditions shall be governed by and construed in accordance with the laws of England and Wales. The parties agree to submit to the exclusive jurisdiction of the courts of England and Wales in relation to any dispute arising out of or in connection with these Terms and Conditions.
29. Acceptance By engaging Fenster Glazing & Locks Ltd for the supply of goods and provision of installation services, the client confirms acceptance of these Standard Terms and Conditions, unless otherwise expressly agreed in writing.
30. Amendments to Terms and Conditions Fenster Glazing & Locks Ltd reserves the right to amend these Terms and Conditions from time to time. Where any material amendments are made, clients will be notified in writing. Any amendments shall apply to future contracts only and shall not affect existing agreements unless agreed in writing.
